

Champion Schools Student and Parent Handbook 2020-2021

Champion Schools builds a strong culture that supports students in making significant academic gains and excelling in athletics: an unbeatable formula for success.

1846 E. Bella Vista Road
San Tan Valley, Arizona 85143

We believe that the discipline gained in sports activities supports academic performance and is transformative in young people.

Champion School’s Vision

It is the vision of Champion Schools to establish the premier learning environment that will develop students’ mental, bodily, and emotional intelligences. Our schools are designed to utilize the discipline gained in sports activities and the motivation gained through parental involvement and psychological support to augment the pursuit of academic excellence.

Strategic Initiatives

Champion Schools creates and maintains effective academic, athletic, and psycho-educational programming geared toward building a solid foundation for student achievement and life-long inquiry and learning. To this end we will:

- Build powerful learning environments which include collaborative work, project-based learning, and hands-on experiences utilizing the community as a laboratory.
- Institute a comprehensive assessment system to measure students’ progress individually, by grade, class, and as a whole school.
- Establish a broad-based athletic training program that focuses on core strength (strength, speed, flexibility, conditioning, balance and agility), fine motor skills (precision, dexterity, visual perception, spatial orientation, and hand-eye coordination), sport-specific skills training, health, and wellness.
- Create a psychological support program to assist students and their families as they negotiate the social and emotional tasks of adolescence.
- Establish public and private partnerships that will enhance students’ academic, athletic, and emotional development.

Welcome, Students!

School is a time to thrive, learn, and discover your interests and talents. Whether you are a new student to our school, or you began your education here at Champion Schools in Kindergarten, this new school year represents a blank slate of opportunity. Approach the new school year with a positive attitude, and you will continue to develop your own unique strengths that you will take with you into high school and beyond.

Your personal pledge to do your best is reflected in your attitude, your effort, and in the respect you show for your teachers, parents, and fellow students. Although much of your time at school is spent in the classroom, you will find that by taking part in extracurricular activities, such as our athletics program, your school year will be enriched.

Whether you are just entering our school, or have attended for many years, we hope that you will become actively involved in activities that interest you and pursue them with passion. Remember that this year will only happen once. Use it to improve on the last year and prepare for the next. Most importantly, enjoy the exciting possibilities that are presented now. We offer our sincere best wishes, and we look forward to your many successes in this coming year.

Sincere Regards,

Carolyn Sawyer, MA

Academics

Student Learning

At Champion Schools, we strive to meet the full potential of students. As students enter our campus each day, they will be best suited for success in school by following these simple suggestions:

- Get a good night’s rest before school the following day.
- Eat a healthy breakfast.
- Be on time and prepared to learn.
- Come to school with a positive attitude.
- Strive for outstanding attendance.
- Have a designated place to complete school tasks and projects after-school.
- Share what you are learning with your family every day.
- Read at least 20 minutes outside of the regular school day.
- Provide a positive contribution to your school.
- Develop a relationship with your teachers, peers, and school. This is your home away from home.

Grades/Codes

Kindergarten report cards identify four levels of student performance:

M=Mastered = A

P=Progress = B

MP= Minimal Progress = C

NP=No Progress= D

In 1st through 8th grades, the following percentage scale is used to determine grades:

90%-100% = A – Superior

80%-89% = B – Above Average

70%-79% = C - Average

60-69% = D – Below Average

0%-59% = F – Failing

Champion Schools Academic Standards

After each term all student grades and participation will be evaluated. Those students who don’t meet the requirements will have to participate in additional learning programs, such as mandatory Saturday School, mandatory before and/or after school tutoring, Reading Rocks, and/or Math Counts.

Guidelines

- All students must maintain a “C” average in all classes to remain eligible to participate in sports teams & any school activity.

- **Students who fall below a “C” average will be required to attend mandatory Saturday School & attend classroom tutoring or Title I intervention until their grade is raised.**
- The teacher will provide the student/parent with evidence of academic performance/progress throughout the reporting period.
- The grading system will be explained to students by the teacher.

Student Athlete Honor Roll

Kindergarten through 8th grade students who meet high academic standards while participating in sports will be eligible for the Student Athlete Honor Roll. Qualifications will be calculated using grades from Reading, Language, Math, Science, Social Studies, and Writing. **Students must participate in a sport during the same term to achieve an honor roll.**

3 levels of Student-Athlete Honor Roll

4.0 GPA

3.9-3.50 GPA

3.49-3.0 GPA

Must maintain while participating in a sport during the same term.

The following scale shall be used to determine grade point averages for Honor Roll:

A = 4.0 points

B = 3.0 points

C = 2.0 points

D = 1.0 points

F = 0.0 points

Parent/Teacher Conferences

Formal conferences between parents and teachers are required and scheduled during the first and second grading terms of the school year. Parent/Teacher Conferences provide an opportunity to review children’s progress in all areas of their school experience. Parents are encouraged to meet with their child’s teacher for informal conferences outside the regular conference times by scheduling it with their teacher.

Monthly Academic/ - Family Involvement Events

- Champion Schools will host monthly academic events during the school year. These events will provide parents an opportunity to come to campus and see the students’ academic success.
Tentative dates : Every 3rd Wednesday of the month.
Times : TBD

Report Cards

- Each child’s educational progress is evaluated regularly and reported to parents/guardians three times each year. Grade report forms vary with the child’s grade assignment and, in most cases, includes a report of the child’s effort as well as the grade.
- We will issue 3 report cards throughout the year.
- **Report Card Dates: November 13th, February 19th, May 21st.**

Progress Reports

- In addition to the formal report card, a progress report will be issued at approximately the middle of each term. Progress reports must be signed by the parent and returned to the homeroom teacher.
- We will issue 6 progress reports throughout the year.

State Testing

The new Arizona state test is a state administered assessment of the Arizona Academic Standards in the areas of math, reading, writing, and science. All Arizona public schools, including district schools and charter schools, are required by law to administer the state mandated assessment. The test is administered in the spring (April) and the results are reported to the school in late summer.

- All students in grades 3rd through 8th are tested on reading, mathematics and writing.
- All students in grades 4th and 8th are also tested on science.

Meeting the requirements of the Department of Education essential skills is very important in demonstrating that your child has learned and retained the academic content taught throughout the academic school year. Failure to do so may result in retention.

Move on When Reading

Move On When Reading is based on a student’s reading proficiency on the statewide assessment. In 2014, the MOWR law was amended to specify that a student may be promoted from 3rd grade if data on the statewide reading assessment is not available by the beginning of the school year. Students promoted due to delayed assessment data which subsequently shows the student should have been retained must be provided intervention strategies and support under the law.

Tutoring

Tutoring will be available before school, after school, and during workout for students who are below grade level or struggling with certain performance objectives. Teachers have the authority to make tutoring mandatory if a student is receiving a 70% or lower in any academic subject or has multiple missing assignments.

Math Counts

An academic club that is designed to help students increase their academic achievement in the content area of mathematics. The club will be available in the mornings before school from 7:00am to 8am and after school from 3:30pm to 4:30pm, Monday through Thursday.

Reading Rocks

An academic club that is designed to help students increase their academic achievement in the content area of reading. The club will be available in the mornings before school from 7:00am to 8am and after school from 3:30pm to 4:30pm, Monday through Thursday.

Contacting Teachers

If parents would like to talk with their child’s teacher, they should call either before classes begin or after the students are dismissed. Parents may call during class hours and leave a message with the school receptionist. The teacher will return your call within 24 hours. Every teacher will issue out their school email address as well.

Academic Integrity

Cheating

Any form of deception, including but not limited to, the use of notes, cheat sheets, obtaining answers ahead of time, or sharing information with other students is not tolerated.

Plagiarism

All student work presented for credit shall be the original work of that student. Any material that is quoted or summarized from other sources shall be credited to the original source. Shared projects should represent the work of the entire group.

Any student involved in academic cheating/plagiarism shall be subject to disciplinary action.

Acceptable Use of School Computers & Personal Computers:

The student must:

- Use the electronic information system for educational purposes only.
- Agree not to submit, publish, display, or retrieve/download any inappropriate material, including material that is defamatory, abusive, obscene, profane, sexually oriented, threatening, racially offensive, illegal, or deliberately inaccurate material; nor shall students provide direct links to such materials or encourage the use of controlled substances.
- Agree not to download, archive, distribute, or share any software or digital files (such as movies, music, or text) that would constitute a violation of copyright laws, including any trademark and or license restrictions.
- Agree not to plagiarize any material found using technological resources.
- Agree not to attempt to harm, modify system files or data belonging to other users.

Student use of information systems is acknowledged to be a privilege, not a right. Students must adhere to strict guidelines. Administrators will deem what is appropriate and inappropriate use of information systems. Any action by a student determined to constitute an inappropriate use subjects the student to disciplinary action. Depending on the seriousness of the user’s offense, consequences will be administered as stipulated in the Student Handbook. Students will also be subject to all applicable state and federal laws.

Students and parents/guardians must understand that their student may have access to the Internet. Through the use of filtering software and supervision, Champion Schools limits access to inappropriate materials on the Internet.

Personal technology, such as Kindle Fires, iPads, Chromebooks, and other tablets that can be used for research are allowed to be used in classrooms with permission of teachers at necessary times.

Champion Schools Cell Phone Policy

We understand that we live in a progressive world where technology is a vital part of our daily life. At Champion Schools, we understand that parents want their child to be safe and to be able to use their cell phones in an emergency.

Students may have cell phones and mobile communication devices in their possession *but* they must be placed in their clear backpack - visible and turned off. Cell Phones and Mobile Communication devices that ring, vibrate excessively, or in any other way disrupt the educational process of a class, are grounds for confiscation of the device by school staff or personnel. Use of such devices in classrooms will be restricted and violations will result in confiscation of the device. No student shall use a Cell Phone or Mobile Communication Device to violate any Student Code of Conduct, including Computer usage agreements, and/or Bullying Policies. Examples of unacceptable usage can include but are not limited to: in restrooms or hallways during instructional time, bypassing the nurse or attendance to leave school, cheating, cyber bullying, taking pictures or videos, using phones in places of school business, etc. Each teacher has the right to permit the use of Cell Phones and Mobile Communication Devices for instructional purposes.

Contents of cell phones may be reviewed and searched if there exists a reasonable suspicion that it may have been used in an activity prohibited by the Student Code of Conduct. ***The student assumes all risk in bringing such devices onto school property or to school related functions and the school will not be liable for any theft or damage to student's personal devices.***

Cell phone use is not permitted during school hours. Students must not, for any reason, use the cell phone from the hours of 6:30am- 4:00 pm. Students who are using their cell phone for any reason during school hours will have it confiscated and taken to the front office. Parents/guardians may be contacted to claim the student's cell phone or other electronic devices from a school administrator. A parent or guardian **MUST** come to the office to collect it. Students cannot collect their own cell phone. If a student is taking our bus transportation and a parent is not able to retrieve the phone in person, the phone will remain in the front office until the guardian may retrieve it.

We have telephones in the classrooms and also an office phone. Parents may call the front office to relay any messages that may be urgent regarding their child. *Please note, if a student is using a cell phone on campus after school hours and the use breaches the code of conduct, the consequences listed above will apply.

Social Media Policy / Cyberbullying

- If any Champion student is engaging in inappropriate behavior online to another Champion student and it evidently disrupts the school environment in a material and substantial way - that student will be held accountable for their actions according to school and state laws. Even if social media harassment or bullying happens outside of school grounds; administration will respond if the acts create a hostile environment in school.
- Cyberbullying by a Champion student directed toward another Champion student or school staff member is conduct that disrupts both a pupil’s ability to learn and a school’s ability to educate its pupils in a safe environment. Champion schools prohibits acts of cyberbullying by Champion students through the use of any Champion owned, operated, and supervised technologies. The school principal or designee may report allegations of cyberbullying to law enforcement authorities. Any act online, the Internet or through electronic devices (**cellular phones, tablets**) that deliberately threatens, harasses, intimidates an individual or group of individuals; places an individual in reasonable fear of harm to the individual or damage to the individual’s property; has the effect of substantially disrupting the orderly operation of the school is considered **cyberbullying**.
- Any student or school staff member who believes he/she has or is being subjected to cyberbullying, as well as any person who has reason to believe a student or school staff member has knowledge or reason to believe another pupil or school staff member is being subjected to or has been subjected to cyberbullying shall immediately make a report to the school principal or designee. Champion schools have a zero tolerance against cyberbullying and each reported instance will be handled in accordance with district, local and state rules, policies and guidelines.

Athletics

Welcome Parents and Student Athletes!

We're glad you and your child have decided to be a part of Champion Schools - Athletics. We have a lot of great things planned for this year. It's going to take a lot of hard work and discipline from myself, the coaches, players, and parents, to accomplish our goals and dreams for the season. Being a member of a team is a special honor, and along with that honor comes great responsibilities.

As a Student Athlete of Champion Schools, your child will be held to a higher standard. We expect him/her to always be on their best behavior. We will not tolerate them getting in any type of trouble, on or off campus. We reserve the right to dismiss any child from the program if we believe they aren't holding up to the standards we have set forth.

Parents, we hold you to a high standard as well. Therefore, we need your full support in implementing our rules and regulations while your child is away from school.

As Head Coach of Athletics, I will hold anyone who is a part of any of our teams to this standard. This includes coaches, staff, parents, and players. Following this code of conduct doesn't guarantee your child success, but it will give them a better opportunity to have success as a Student- Athlete.

Parents and Student- Athletes, we are very strict, but fair. Players must earn and show that they deserve to be a member of the Champion Schools- Athletics programs.

Please read the additional sports pages for all rules and regulations expected for your son/daughter.

Thank you,

M. Ed. Mark Mobley

Sports Requirement

It is mandatory at Champion Schools that every student must participate in a Sport during the school year.

Students in Kindergarten -3rd grade are required to participate in one sport during the 1st two terms. (fall or winter).

Students in 4th -8th Grade are required to participate in 2 sports during the three terms. (fall, winter, spring)

The Difference between Varsity & Junior Varsity:

Only 6th -8th grade students are allowed to try-out for our Varsity Teams. Varsity is a much more rigorous time schedule and the program is designed for the more advanced athletes. Varsity teams will play in the Canyon Athletic Association.

Junior Varsity is broken up between two grade groups. K-3rd division and 4th -8th division. JV is used to improve student skills and knowledge of sports, preparing them for the varsity team in the future.

Varsity Team Practices:

All Varsity teams will practice or play games every day during the fall season (Monday -Friday).

Due to the heavy practice and game schedule, parents for Varsity level Student-Athletes will be required to pick their son/daughter up after practice or games at the campus.

There will not be a late Bus after practice or games for varsity teams, and staff can NOT give students rides home at any time.

All Varsity teams will practice or play games every day during the fall season. Starting August –November (Monday –Friday)

Junior Varsity Team Practices:

All Junior Varsity Student Athletes Practices are between: 3:30pm – 4:40pm.

There will be a late bus for any JV Student-Athletes at the end of practice to designated school stops or the Boys & Girls club. Students who get picked up by parents must be picked up promptly at 4:45 pm.

All Junior Varsity Games are played after school and the championship games will be played on Saturday mornings. Dates to be announced.

Student-Athlete Code of Conduct:

- Must maintain a “C”/ 2.5 GPA, at the minimum, to participate on a team.
- Must have all homework done and turned in on time.
- Must display good citizenship and behavior at school.
- Must be able to give 100% commitment to the team and school.
- Must be able to attend scheduled practices and games.
- Must bring all required equipment daily.
- Must have a positive attitude.
- Must have a willingness to learn.
- Must be a team player.
- Must be a competitor.
- Must love to have FUN!!!

Parents

- Must attend mandatory meetings.
- Must inform coaches about issues ahead of time. (Absences, etc.)
- Please support the coaching staff’s decisions.
- Must be able to give 100% commitment to the team & school.
- Must be willing to uphold all team and school rules.
- Must pay the entire sports fee (\$60- JV \$90-Varsity)

Coaches

- Coaches must conduct themselves in a professional manner at all times.
- Must be a leader on and off the playing field.
- Must be prepared with a plan for practices/games.
- Must make sure your team is prepared for practices/games.
- Must inform your players and parents about changes to schedules.
- Must be able to give 100% commitment to the team & school.

Varsity/Junior Varsity Uniform Rules:

1. We will provide the team uniforms for games, which may include jerseys, shorts, T-shirts, socks, etc depending on the sports season. **Players must have their whole uniform set to play in the game. If any player does not have their whole uniform set, they will not play or travel. The uniform is only to be worn on game days.**

Parents, you are responsible for washing the uniforms. Please be careful, and remember Varsity teams have multiple games a week.

2. We will provide certain additional equipment for the varsity team, such as mouth pieces, knee pads, etc. We will only provide them once. If an athlete loses them it will come with an additional fee. If a varsity athlete loses any part of their uniform they won’t play and can be dismissed from the team.

3. At the end of the sport season, the Varsity players must return their uniform set. Coaches will let players know what items they can keep. Junior Varsity players may keep their uniform at the end of the season.

Fundraising:

The Athletic Department has planned some amazing activities for the Student-Athlete’s. However, it’s going to take a team effort to help us raise the money for these events. We plan to have a school wide fundraiser, car washes, bake sales, concession stands, etc. throughout the year. Any other suggestions are more than welcome. The money raised will take care of the team expenses like field trips, parties, uniforms, etc. **Attendance and participation at these events will be mandatory for all athletes and teams.**

Student-Athlete Attendance

School attendance is expected of all student-athletes on the day of the game. Parents should communicate in advance with the Coach and Administration on special circumstance absences. Absences on the day of the game may result in students being ineligible for the day’s athletic event.

School Attendance

Enrollment/ Re-enrollment

Champion Schools is an open enrollment school. All students must have their applications completely filled out in order to be eligible for enrollment. *Arizona law requires that students can apply for enrollment based on available classroom space (A.R.S. 15-816.01).*

Champion Schools does not accept students who have been expelled from other schools.

Notice of Non-Discrimination: *Champion Schools do not discriminate on the basis of race, color, national or ethnic origin, religion, gender, disability or age in its hiring and enrollment practices, nor in the administration of any of its programs or activities.*

Attendance

Champion Schools believes that academic excellence is achieved first and foremost by students being regular in attendance and on time. These are two important factors that foster a positive attitude toward school. Students who uphold perfect attendance during each term will receive a \$5 cash reward. Students able to maintain perfect attendance all school year will receive a \$20 cash reward.

Legal Requirements

Arizona law requires that students between the ages of six and sixteen years of age must attend school every day. (A.R.S. 15802A).

Absences

Students are expected to be at school every day. It is very important that the school is notified as soon as possible if a student will be absent or tardy. We do understand that not every absence requires a doctor’s visit. However, should your child go to the doctor, please provide the appropriate documentation for their absence. This can be accomplished by placing a telephone call to the school office **(480) 765-2223** and notifying them your child will be absent.

Students who are absent more than 30 days of the school year have to be retained by Arizona law.

After 10 consecutive absences, students will be automatically withdrawn from Champion Schools.

Tardies

The school day starts at 8 am. If a student is late to school he/she must report to the office to be given a late pass. Tardys may only be excused with a parent phone call or sign in.

Truancy

To encourage and improve school attendance, Champion Schools will continue to implement a truancy program. As you know, it is critical that your child is at school every day, unless there is an excused reason not to be. The state of Arizona requires that all students attend school 90 percent of the school year. Champion Schools students attend school 180 days per year, which means that each student has 6 sick days each term. When a student reaches six absences a term, a doctor's note/plan of chronic illness is required to excuse any further absences. A student that is absent more than ten percent (18 days) of the required number of school days per year is considered to have "excessive absences" whether the absence is excused or unexcused as stated in A.R.S. §15-802 subsection B, paragraph 1.

A student whose absences may have materially affected academic progress may fail that course, receive a lower grade, or be retained. State law mandates that the school record all reasons for all student absences. Therefore, when a student is absent, a parent must call the school on or before the day of absence to advise the school as to the reason for the absence. All absences not verified within 24 hours will remain unexcused. For absences greater than one day in length, the school should be notified each day of the absence and present a doctor's note.

Tardy: A student is tardy when the student reports to class within 10 minutes of the start of the day.

Absence: A student who does not attend school is considered absent. It is important that parents and the school work together to ensure good attendance.
*A child who is habitually truant or who has excessive absences may be adjudicated an incorrigible child as defined in A.R.S. §8-201.

Excused Absence: An absence is excused if a parent or guardian notifies the school within 48 hours of the absence. The reason for the absence must be given. Some examples of excused absences are:

- " Personal illness
- " Doctor or dentist appointment that cannot be made before or after school
- " Serious family illness
- " Death in family or of a close friend
- " Religious holiday

Unexcused Absence: Any absence that is not excused by a parent or guardian within 24 hours of the absence or the following:

- " Out of town for vacation
- " Deciding to stay home

Make-Up Work

It is the student’s responsibility to ensure that all work is requested and made up when he or she returns to school from any absence. Students will have the amount of time equivalent to the number of days absent to complete and turn in his or her assignments.

Withdrawal of Students

If you are withdrawing your student from Champion Schools, you must come in person to complete the official withdrawal documentation. The office staff will need a minimum of three working days in order to prepare student information. Your cooperation is greatly appreciated.

Champion Schools Disciplinary Code of Conduct

The student discipline code will be reviewed each year and modified as necessary to maintain a fair, effective, and consistent system of rules for student conduct throughout the district.

At times, consequences not set forth in the code may be developed if the proposed alternatives are viewed by the school official and parent as useful and appropriate.

Students referred for discipline are guaranteed the following due process rights:

- The right to be informed of accusations against them
- The opportunity to admit or deny accusations
- The right to hear evidence on which accusations are based
- An opportunity to present an alternative factual position
- The right to appeal a disciplinary decision

Dealing with student behavior is part of our job. Champion Schools believes that all students can exhibit appropriate school behaviors. Our job is to not only tell them what those behaviors are, but to teach them what positive behavior looks like. Students will learn these expectations at different times based on their developmental level and their experiences outside of school. Students should expect consequences as part of learning what is right and wrong. We must work together with families to model and teach appropriate behavior.

When dealing with discipline, parents and students must remember...

Each Day is a New Day!

Champion Schools School-wide behavior plan : Positive Behavior Interventions and Supports (PBIS).

Grades K-8 Grade students

Intervention 1: Verbal redirection. Teacher will state positively what the student should be doing. Model the desired behavior and ask the student to model the desired behavior.

Intervention 2: Students will fill out a think sheet. Students will receive a logical consequence and teacher and student will model the desired behavior.

Intervention 3 : Time out - Buddy room. Call, note to parents. Logical consequence, model the desired behavior.

Intervention 4 : Office Referral.

School wide rules :

Be Respectful

Be Responsible

Be Ready to Succeed

Be a Stinger!

School Referrals

- If your student receives a referral, they will be sent home with a copy of the referral. This needs to be signed and returned the next school day, or the student's consequence will continue until it is returned signed by a parent.
- All referrals are kept on file and will accumulate to school suspension.
- If a student receives 3 referrals without being suspended, they will be issued a 1 day suspension. The 5th referral will result in a 3 day suspension.
- The 6th referral student must appear in front of the discipline committee for an expulsion hearing.

Suspensions

Students placed on suspension may not be at any school-sponsored event during the suspension. A suspension period would encompass the hours before, during, and after school. Students in violation of this policy will have additional days added to the suspension.

Discipline Regulations

Students, who consistently show an indifference to school policy, which are unable or unwilling to comply with school policies, or those who exhibit attendance violations or other behavior patterns that are disruptive to the educational process and/or adversely affect the welfare or rights of other students, will be considered in violation of the student conduct code.

- The student’s total disciplinary and/or attendance record may be used when imposing disciplinary action for violation of this regulation.

Definition of Offenses

This list is not inclusive of all punishable infractions. A student committing an act of misconduct not listed will, nevertheless, be subject to the discretionary authority of the school administration.

Disciplinary actions of any type and of any magnitude will be aligned to the steps according to the discipline pyramid used school wide.

ALCOHOL VIOLATION Using, under the influence of, in possession of or intent to be in possession of alcoholic beverages or any substance being represented as alcohol. Giving, selling, offering, providing, or intending to provide alcoholic beverages or any substance being represented as alcohol.

Harassment / Bullying/ Racial- Ethnic insults/ Intimidation

The Champion Schools environment must be free from racial/ethnic, verbal insults and/or/ intimidation. Harassment of any type, whether it is gender based, racial, sexual, or in the form of hazing will not be tolerated. Intimidating and or/bullying others on school grounds, school property, school sponsored events, or activities will never be tolerated.

A student being bullied is when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more students. It involves a real or perceived imbalance of power with the more powerful child or group attacking those who are less powerful. Bullying can be physical in form (e.g. pushing, hitting, kicking, spitting and stealing); verbal (e.g. making threats, taunting, malicious teasing, name calling) or psychological (e.g. social exclusion, extortion, intimidation, spreading rumors, manipulating social relationships).

Students are encouraged to immediately report these types of incidents to a school official. It is required that the school official follow procedures to investigate a student bullying claim and resolve the incident with appropriate sanctions. Such behavior disrupts the education process and climate of the school and must be reported to the school administration immediately.

Any parent who suspects their child is a victim of bullying or harassment shall notify school officials and make a report. Forms to report these incidents are located in the school office.

At Champion Schools, we have a ZERO TOLERANCE for bullying policy. Any student who is infringing on the safety of other students through the act of bullying will be held accountable to the discipline regulations stated above.

School Bus Transportation Rules (see conduct)

Children in third grade and under MUST be accompanied by a parent or adult to the Bus Stop to pick up their student at drop offs or students will be taken back to the school.

BUS RULES

- All school rules apply on the bus.
- All rules apply for students riding to field trips as well.
- No standing on the bus until the driver gives ok.
- No switching seats.
- Assigned seats only as needed.
- No loud talking – this includes yelling.

- No eating – this includes gum chewing.
- No drinks with the exception of water.
- No horse playing.
- No fighting.
- Proper sitting position only (example: bottoms on seat, knees forward, and feet flat on floor).
- No pushing or shoving while entering or exiting the bus.
- Person in front exits the bus first.
- No throwing of objects.
- Do not distract the driver, unless there is an emergency.
- No littering.
- No loitering - students must not be around the bus unattended or without supervision.
- Stand in designated areas until released to enter the bus.

4 Steps of Disciplinary action the bus driver takes:

- First offense – verbal warning and letter sent to parents.
- Second offense – student gets a referral and one- three day suspension from the bus.
- Third offense – one week suspension from the bus.
- Fourth offense – permanently removed from the bus.
- *If there are extreme infractions demonstrated by a student on the bus, they will be held to a third or fourth offense (at the principal’s discretion).

Before Care

Students may participate in our before care program from 6:30am-7:45am free of charge.

After Care

Champion schools do not provide an after-care program. After school tutoring will be offered throughout the year and only those invited may attend. Students may not wait for their siblings to complete tutoring or sports practice if they are not participating. All students not attending an after school program on campus must be picked up. At this time we are not working in conjunction with any after school daycare programs. Students must be picked up after school, or directly after their sports practice.

Visitors/Volunteers

All visitors must obtain a pass from the office and must check in and out with the office each time they enter or leave the campus. Brothers, sisters, and other young adults are never permitted to visit unless a parent or an emergency contact over the age of 18 accompanies them.

We ask that arrangements be made with the school prior to visiting classrooms within a 24 hour written notice to the classroom teacher. All visitors are expected to conduct themselves in an appropriate manner.

Any person who is volunteering for an extended period of time, working directly with students on a regular basis or supervising students MUST have a fingerprint clearance card on file in the office.

Visitors do not need to meet the fingerprint clearance card requirement. A visitor constitutes someone staying for a short time with limited interaction with the students. They are NEVER allowed to be alone with any of the students without our supervision.

Any person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his/her duties is guilty of a Class 3 misdemeanor. (ARS 15-1507)

Lost and Found

Please be sure students' clothing and other items brought to school are clearly marked with his/her name. Items that are not claimed within a month will be donated to a local charitable organization. Champion Schools cannot be responsible for personal belongings brought to school by students.

Telephone

Students are allowed to use the telephone **only in case of an emergency**. At that time, they must secure a pass from their teacher to come to the office and make the call or may make a call as necessary from their classroom. Student cell phones must be put away with power off, until the end of the school day.

School Property (A.R.S. 13-2911)

Any student who cuts, defaces, or otherwise injures any school property is subject to suspension or expulsion and, upon complaint of the Board, the parents of such students shall be liable for the damages.

Safety of the School

Any persons engaging in behavior or actions that threaten the safety or security of the campus will be disciplined according to the Champion Schools Discipline Code, or Pinal County Sheriff’s office. This includes any physical/verbal/written statements or gestures that may be construed as threatening to the safety of the school.

School Books and Supplies

Champion Schools will provide students with textbooks, subject matter materials and supplementary books free of charge. Pupils using Champion School’s texts, software and supplementary books are responsible for the loss or damage thereof.

School Property Searches

Cubbies, desks, backpacks and storage cabinets provided for student use are school property and remain at all times under the control of the school. Students are expected to assume full responsibility for the security and content of their cubbies and storage areas. School authorities may conduct inspections of lockers and storage areas at any time for any reason without notice, without student consent, and without a search warrant. Champion Schools is not responsible for loss of personal items.

General Field Trips

Learning experiences outside the classroom are important. Our classes have numerous field trips and study tours throughout the year as appropriate for each grade level. These trips are carefully planned to be relevant to the curriculum. Parents are encouraged to assist in all aspects of fund-raising, preparation, and supervision. This is a great opportunity to share group experiences with your students.

Field trips and study tours are for students only. No siblings or friends can participate. Students must be in good standing in their classroom in order to participate. Homework assignments, projects and other classroom criteria must be met. Students must be in good health and physically able to participate in the field trip or study tour that is scheduled.

Students may be required to wear school T-shirts on field trips or study tours. Students must wear appropriate footwear or jackets if required.

Students who pose a safety threat to themselves or others may not attend field trips or study tours. They may be disqualified up until departure time for these behaviors.

Any parent volunteering to drive to the field trip will take their own vehicle at their own risk. No student will ride with a parent to a field trip without administrator permission.

Health

The goal of the school health program is to help each child realize his full potential to become a physically, mentally, emotionally, and socially integrated individual. The student health assistant recognizes that a child is ill health cannot learn to the maximum of his/her ability, and are well oriented in the use of nursing skills in the school setting. All of the student health assistants at Champion Schools are professionals who work with parents, physicians, and other school personnel to achieve the above goal.

Administration of Medication

In order for students to receive medication at Champion Schools, the following policy will apply:

- Parent/guardian will supply medication
- A permission form supplied by Champion Schools must be completed by the parent/guardian.
- Medication may not be administered if the requirements of ARS 15-344 and policy as outlined are not met.

Administration of Medication Prescribed by a Physician

The law (A.R.S. 15-344) requires medication must be delivered to the front office in the prescription container as prepared by the pharmacist. The school health assistant may document the number of pills upon receipt.

- The prescription label must bear the student’s name, current date, and name of medication, dosage and time to be given.
- Please ask your pharmacist to provide you with three containers: one for home, one for school, and one for a single dose on field trips.
- It is recommended that no more than a 30-day supply is maintained at school.
- With parent/guardian written consent, the school health assistant may consult with the physician regarding medication or immunizations.

Administration of Non-Prescription Medications

The law (A.R.S. 15-344) requires medication must be delivered to the school health office in the original container as packaged by the manufacturer and labeled with the student’s name.

- Dosage must be in keeping with the manufacturer’s recommendations as printed on the label.
- The school health assistant may request a medical evaluation and may require a physician’s order giving permission to administer nonprescription medication.

Communicable Diseases

The control of communicable disease during the school year is a difficult problem. Please keep your child at home if he/she shows any of the following signs of illness:

- Restlessness during the night
- Temperature higher than 100 degrees
- Runny nose with discolored nasal drainage
- Severe coughing
- Severe sore throat
- Rash with a fever, or that follows a fever
- Nausea/vomiting/diarrhea
- Pink eye, watery eyes
- Severe headache
- Swelling of face/glands
- Lice/Ringworm

Please keep your child at home for 24 hours following a fever, vomiting, lice, or diarrhea. If you have any questions regarding symptoms mentioned, please call your doctor.

Early Dismissal of Students Due to Illness or Injury

When illness or injury occurs at school and remaining at school is not in the student’s best interest, parents/legal guardians or their designee will be contacted. If you would like the school to contact you in the event of all injuries, please notify the school health assistant in writing or by phone at the beginning of the school year. Parents will be called in the event of any **serious accident or illness**. For their safety, students are not allowed to walk home during the school day. A parent, legal guardian or authorized emergency contact must sign them out of school.

Students will only be released to parents, legal guardians or authorized emergency contact; every attempt will be made to notify parents first. When illness or injury occurs, and it is determined that it is not serious and the student remains in school, notification of the parent/legal guardian will be at the school health assistant’s discretion.

Emergency Information Update

Each school year, you will be asked to complete an emergency card update for each child in your family. You are asked to provide school personnel with current information so that you can be reached in the event of any illness/injury. Please let school personnel know how and where to reach you during school hours. **Please keep school personnel informed of any changes in this information during the school year.**

Health Records

The school health assistant establishes and maintains a health record for each student. The health record contains immunization status, screening results, health history and other information at the discretion of the school office administrator.

Health Screening

Health screening programs may include:

- Vision
- Hearing
- Scoliosis
- Dental
- Height and weight
- Blood pressure

If any abnormalities are discovered as a result of the screening, parents/legal guardians will be notified and recommendations made for further evaluation. Parents may choose not to have their child screened. Please contact the school health assistant.

Immunizations

Documentary proof of immunizations must be presented to school personnel at the time of enrollment. Immunizations must be current for the age of the child. Please keep the school health assistant informed of any new immunizations your children receive so the health records will be current.

Children who are not adequately vaccinated against preventable diseases will be excluded from school in the event of a disease outbreak. The following is the immunization requirements for school enrollment (Maricopa County Department of Health):

- Arizona State Law requires that a child, upon entering school, must have a record of immunizations against preventable childhood diseases. These are: diphtheria, tetanus, whooping cough (DTP); Polio (OPV or IPV); measles, mumps, rubella (MMR), and Hepatitis B.
- Students in preschool, kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, and 8th Grades must have the Varicella (chicken pox) immunization if they have not had chicken pox. Eventually, all students who have not had chickenpox will need to have the Varicella vaccine for school enrollment. Students ages 11-12 must have the MCV4 vaccine (meningitis).
- A waiver or deferral, in part or in full, will be granted in medical or religious cases, or for personal beliefs. You must request an exemption form directly from the school health assistant. School office staff cannot offer an exemption form.

Procedures

Emergency Drills

An emergency drill is signaled by a loud, continuous sound and/or specific directions given over the public address system. Drills are held monthly to teach students the safest, quickest route from school buildings. Whenever a class leaves a room for any emergency, students stay with their teachers until they hear the signal that means “time to return”. In addition, the school has an Emergency Preparedness Plan on file that details student and staff procedures in the event of a school emergency.

It is important to follow the teacher’s instructions quickly and quietly in an emergency drill.

During the emergency drill:

- Follow the directions of your teacher.
- Leave all work and line up immediately to exit from your room.
- Know the emergency exit route from each room in which you have a class (your teacher will have the route posted).
- Walk in line until your group has reached its designated area.
- Remain in line until your teacher directs you to return to your classroom.
- Return to your room in a quiet and orderly fashion.
- If an actual fire or lockdown situation occurs, the fire department and/or police department, in conjunction with Champion Schools, will be in control of the situation.

Pets

Pets come in all shapes and sizes. Before students can bring their pets on campus, a parent must contact the classroom teacher for permission. Remember that many children (as well as teachers) are allergic to pets. Parents are not to bring pets to school when dropping off and picking up children.

Sign Out

For the safety and protection of the child, we cannot allow parents to take students from the room before our regular dismissal time without the parent first coming to the office, displaying a picture I.D. and signing the child out. We will then call the student from class. We will not excuse a student early on the basis of a note or telephone call from the parents.

No child will be released to the parent, guardian or any other person not listed on the Emergency Contact card. Written authorization must be given to the school for a student to leave campus.

Special Instructional Programs

Individuals with Disabilities Education Act –IDEA

Champion Schools will ensure that all children who have suspected disabilities are identified, located, and evaluated. The process of identifying, locating, and evaluating students with disabilities is important to the provision of educational opportunities for all students.

Children, aged birth through three years, and suspected of having a disability will be referred to the Arizona Early Intervention Program for evaluation and if appropriate, services.

Once school age, this process is guided by a variety of laws and regulations regarding identification, evaluation, development of program, placement, and the provision of services enacted at both the state and federal levels.

Section 504 of the Rehabilitation Act of 1973

Students may be eligible for services under the provisions of Section 504 even though they do not require services pursuant to the Individuals with Disabilities in Education Act (IDEA).

It is the responsibility of Champion Schools to identify and evaluate students who may need special services or programs in order that such students may receive the required free appropriate education.

A student who may need special services or programs under Section 504 of the Rehabilitation Act of 1973 is one who:

- Has a physical or mental impairment that substantially limits one or more major life activities, including learning; or
- Has a record of such impairment; or
- Is regarded as having such an impairment

Arizona Revised Statutes (Laws) Related to Public Schools

Alcohol and Drug Violations and Arizona Drug Law (A.R.S. 15-507)

Alcohol or drug violations on or within 300 feet of school property, at school events, or at any time the student is subject to Champion School’s “good neighbor” policy will result in disciplinary action by school officials, notification of parents, and possible involvement of police. The following provisions of Arizona’s Drug Law are offered as a warning. Arizona judges have no discretion it imposes less than mandatory prison sentences and fines.

Medical Drugs (A.R.S. 32-1901, 15-345)

Students who need to have access to medical drugs in school must leave them with the school nursing personnel, along with parental permission, and the written direction of a physician concerning their use. Students who are in the possession of medically approved drugs, but have not followed the directions prescribed above, shall be warned for the first offense. All succeeding offenses he/she should be disciplined according to normal school disciplinary policies. Students who distribute such drugs to others will be considered under the policy as distributing drugs for non-medical purposes.

Smoking and Use of Tobacco Products, Vape products (A.R.S. 36-798-03)

Prohibits the possession of tobacco products on all school grounds, buildings, parking lots, playing fields, buses and at off-campus school sponsored events. This law applies to all students, staff and visitors. Violations of this law are a “petty” criminal offense, punishable by a fine of up to \$300. Smoking or possession of tobacco products is not permitted on or within 300 feet of school property (school grounds, inside school buildings, in school parking lots or playing fields, in school vehicles) or at off-campus school sponsored events.

Discipline for violation of this use shall include the following:

1. Parents will be notified.
2. Student may be disciplined on campus.
3. Student may be suspended for not more than nine days and/or in lieu of a suspension, the student may participate in a tobacco education diversion program.
4. The student may be referred to the police and prosecuted for a petty offense, with a fine up to \$300.
5. Cumulative violations could result in a formal hearing and recommendation for suspension.

Suspected Child Abuse Notification (A.R.S. 13-3620)

School personnel will comply with laws regarding child abuse and reporting to the department of Child Protective Services.

Teacher’s Authority to Remove a Student from Class (A.R.S. 15-841)

Gives teachers the right to remove disruptive students from their classrooms. A teacher may remove a student from his/her class by documenting abusive , threatening, disruptive, or unruly behavior. The referring teacher must submit supporting documentation within 24 hours of removal. Upon receipt of the teacher’s recommendation to remove the student from class, the principal shall remove the student unless he/she can produce evidence that the basis for recommendation was arbitrary or discriminatory and/or procedurally incorrect. Upon removal, the following steps will be completed by the principal:

1. Arrange for placement of the student in another class or an alternative setting.
2. Contact the parents to inform them of their child’s removal from class and an explanation of procedures.
3. Arrange for appropriate continuation of the student’s instructional program by securing individual lesson plans, learning objectives, and activities from the referring teacher.
4. Arrange for a meeting of the school placement review committee to be conducted within three days of removal.

Family Educational Rights and Privacy Act (FERPA)

The No Child Left Behind Act of 2001 amended the Protection of Pupil Rights Amendment (PPRA) to require that the Department of Education notify annually each state educational agency and each local educational agency of their obligations under PPRA and under the Family Educational Rights and Privacy Act (FERPA). The general requirements placed on each local educational agency by law are required to notify parents and students of their rights.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the school receives a request for access. Parents or eligible students should submit to the school administration a written request that identifies the records they wish to inspect. The administration will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the school administration clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Upon request, the school discloses education records without parent consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Champion Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

Protection of Pupil Rights Amendment (PPRA)

Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

- It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED-funded survey, analysis, or evaluation in which their children participate; and
- It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED-funded survey, analysis, or evaluation that reveals information concerning:
 1. Political affiliations;
 2. Mental and psychological problems potentially embarrassing to the student and his/her family;
 3. Sex behavior and attitudes;
 4. Illegal, anti-social, self-incriminating and demeaning behavior;
 5. Critical appraisals of other individuals with whom respondents have close family relationships;
 6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
 7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Non-Discrimination Statement

Champion Schools does not practice discrimination on the basis of race, color, national origin, sex, handicap, or age. The policy is in compliance with Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Education Amendments of 1972 (pertaining to sex-equality), Section 504 of the Rehabilitation Act of 1973 and the ADA-Americans with Disabilities Act (pertaining to the handicap), Age Discrimination Act of 1975 (pertaining to age), and covers admission and access to, and treatment and employment in, the District’s programs and activities, including vocational education.

Champion Schools

Homeless Children and Youth Education Policies and Procedures

Introduction

The McKinney-Vento Act requires all state and local educational agencies to develop, review and revise their policies to remove barriers to the enrollment and retention in school of children and youth experiencing homelessness⁽¹⁾. A Local Educational Agency (LEA) policy is designed to help schools comply with this mandate.

Champion Schools, servicing as a Local Educational Agency (LEA), has adapted a policies and procedures to meet the requirements of the reauthorized McKinney-Vento Act and Elementary and Secondary Education Act (ESEA), and U.S. Department of Education regulations and guidance. It has taken such “broad and specific” content and adapted to accommodate the needs in order to serve as an LEA. Champion Schools has taken such policies and procedures referenced and adapted or abbreviated to develop its own policies and procedures.

Champion Schools Community

The Champion Schools community will be involved in adhering to its established policies and procedures. These Include:

- Immediate enrollment of Homeless students, regardless of missing documentation.
- Transportation is provided to & from the “school of origin.”
- Homeless children and youths are not stigmatized or segregated on the basis of their status as Homeless.

In addition, any revisions to the adapted policies and procedures are subject to be revised by such community. The “community” will/could include:

- School Principal
- Title I Coordinator
- Parent/ Homeless Liaison

The Community will be involved to ensure:

- communication, support, and adherence to the requirements of the McKinney-Vento Act from which the Champion Schools’ policies and procedures have been so enacted
- sharing of positive results with school and parents and how the Champion Schools’ policies and procedures affect a child, students, parents, and our school
- following of the McKinney-Vento Act requirements.

Champion Schools’ Policies and Procedures

Champion Schools’ policies and procedures are to ensure that all children and youth receive a free appropriate public education and are given meaningful opportunities to succeed in our school. Children and youth will be seen as individuals therefore will not be referred to as homeless; it will instead use the term ‘children and youth in transition.’”

Under federal law and under Champion Schools enacted policies and procedures children and youth will be:

- given access to appropriate education at Champion Schools
- given full opportunity to meet state and local academic achievement standards
- included in state- and school-wide assessments and accountability systems
- free from discrimination, segregation, and harassment.

Descriptive information is provided in the following pages of the Champion Schools’ policies and procedures

Policies and Procedures Distribution

Champion Schools will distribute their policies and procedures by:

- providing to all students upon enrollment
- posting at the school so it is visible
- posting at other places where children, youth, and families in transition receive services

Champion Schools will implement these policies and procedures so as to ensure children and youth in transition are provided appropriate public education benefits.

Definitions

Children and youth in transition means children and youth who are otherwise legally entitled to or eligible for a free public education, including preschool, and lack a fixed, regular, and adequate nighttime residence, including:

- children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, camping grounds or trailer parks due to lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement
- children and youth who have a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings

- children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train station, or similar setting and migratory children and youth who are living in a situation described above.

A child or youth shall be considered to be in transition for as long as he or she is in a living situation described above.

Unaccompanied youth means a youth not in the physical custody of a parent or guardian, who is in transition as defined above. The more general term *youth* also includes unaccompanied youth.

Enroll and *enrollment* mean attending school and participating fully in school activities.

Immediate means without delay.

Parent means a person having legal or physical custody of a child or youth.

School of origin means the school the child or youth attended when permanently housed, or the school in which the child or youth was last enrolled.

Liaison is the staff person designated by our LEA and each LEA in the state as the person responsible for carrying out the duties assigned to the liaison by the McKinney-Vento Act.

Identification

In collaboration with school personnel and community organizations, the Champion Schools’ Parent/Homeless Liaison will identify children and youth in transition in the school.

The Liaison will train school personnel on possible indicators of homelessness, sensitivity in identifying families and youth as in transition, and procedures for forwarding information indicating homelessness to the Liaison.

The Liaison will also instruct school registrars and secretaries to inquire about possible homelessness upon the enrollment and withdrawal of every student, and to forward information indicating homelessness to the Liaison.

The Liaison will keep data on the number of children and youth in transition in the district, where they are living, their academic achievement (including performance on state- and district-wide assessments), and the reasons for any enrollment delays, interruptions in their education or school transfers.

Section II

School Selection

Each child and youth in transition has the right to remain at his or her school of origin, or to attend any school that housed students who live in the attendance area in which the child or youth is actually living are eligible to attend.

Once Champion Schools is selected as a school of choice, children and youth in transition shall remain at the school to the extent feasible, unless that is against the parent’s or youth’s wishes. Students may remain at Champion Schools the entire time they are in transition, and until the end of any academic year in which they become permanently housed. The same applies if a child or youth loses his or her housing between academic years.

Feasibility shall be a child-centered determination, based on the needs and interests of the particular student and the parent’s or youth’s wishes. Potential feasibility considerations include:

- safety of the student
- continuity of instruction
- likely area of family’s or youth’s future housing
- time remaining in the academic year
- anticipated length of stay in temporary living situation
- school placement of siblings and whether the student has special needs that would render the commute harmful.

Enrollment

Champion Schools will not deny or delay enrollment due to the lack of any document normally required for enrollment, including:

- proof of residency
- transcripts/school records (Champion Schools must contact the student’s previous school to obtain school records. Initial placement of students whose records are not immediately available can be made based on the student’s age and information gathered from the student, parent and previous schools or teachers.)
- immunizations or immunization/health/medical/physical records (If necessary, the school must refer students to the Liaison to assist with obtaining immunizations and/or immunization and other medical records. Health records may often be obtained from previous schools or state registries, and school- or community-based clinics can initiate immunizations when needed.);

- proof of guardianship
- birth certificate
- any other document requirements
- unpaid school fees
- lack of uniforms or clothing that conforms to dress codes
- any factor related to the student's living situation.

Unaccompanied youth must also be immediately enrolled in school. They may either enroll themselves or be enrolled by a parent, non-parent caretaker, older sibling or liaison.

Transportation

At a parent’s request, Champion Schools shall provide transportation to and from the school of origin for a child or youth in transition. Transportation shall be provided for the entire time the child or youth has a right to attend that school, as defined above, including during the pendency of disputes. The Liaison shall request transportation to and from the school of origin for unaccompanied youth. The length of the commute will only be considered in determining the feasibility of placement in Champion Schools. Parents and unaccompanied youth must be informed of this right to transportation before they elect to attend Champion Schools.

Requests shall be processed and transportation arranged without delay. If the student in transition is attending Champion, then the school shall arrange transportation.

Services

Children and youth in transition shall be provided services comparable to services offered to other students at Champion Schools, including:

- transportation (as described above)
- Title I (as described below)
- educational services for which the student meets eligibility criteria, including special education and related services and programs for English language learners
- school nutrition programs
- before school programs
- after school program at the Boys and Girls Club

Champion Schools recognizes that children and youth in transition suffer from disabilities at a disproportionate rate, yet frequently are not evaluated or provided appropriate special education and related services. To address this problem, evaluations of children and youth in transition suspected of having a disability shall be given priority and coordinated with students’ prior school as necessary, to ensure timely completion of a full evaluation. When necessary, Champion Schools shall expeditiously designate an advocate for unaccompanied youth suspected of having a disability. If a student has an

Individualized Education Program (IEP), Champion Schools shall immediately implement it. Any necessary IEP meetings or re-evaluations shall then be conducted expeditiously. If complete records are not available, the Champion Schools IEP team must use good judgment in choosing the best course of action, balancing procedural requirements and the provision of services. In all cases, the goal will be to avoid any disruption in appropriate services.

When applying Champion Schools’ policies and procedures regarding tardiness or absences, any tardiness or absence related to a child’s or youth’s living situation shall be excused. Champion will follow state procedures to ensure that youth in transition and youth who are out of school are identified and accorded equal access to appropriate secondary education and support services. Champion personnel shall refer children and youth in transition to appropriate health care services, including dental and mental health services. The Liaison will assist the school in making such referrals, as necessary.

Champion Schools’ personnel will also inform parents of all educational and related opportunities available to their children and provide parents with meaningful opportunities to participate in their children’s education. All parent information required by any provision of this policy will be provided in a form, manner and language understandable to each parent.

Section III

Disputes

If a dispute arises over any issue covered in these policies and procedures, the child or youth in transition shall be immediately admitted to Champion Schools in which enrollment is sought, pending final resolution of the dispute. The student shall also have the rights of a student in transition to all appropriate educational services, transportation, free meals and Title I services while the dispute is pending.

If such dispute arises, Champion Schools shall provide the parent or unaccompanied youth with a written explanation of its decision and the right to appeal and shall immediately refer the parent or youth to the Liaison. The Liaison shall ensure the student is enrolled in the school of his or her choice and receiving other services to which he or she is entitled and shall resolve the dispute as expeditiously as possible. The parent or unaccompanied youth shall be given every opportunity to participate meaningfully in the resolution of the dispute. The Liaison shall keep records of all disputes in order to determine whether particular issues or schools are repeatedly delaying or denying the enrollment of children and youth in transition.

The parent or unaccompanied youth may appeal the Liaison's decision as provided in the state’s dispute resolution process.

Free meals

On the day a child or youth in transition enrolls in Champion Schools, the student’s name will be submitted for immediate processing and enrollment in the school lunch program.

Title I

Champion Schools shall reserve such funds as are necessary to provide Title I services to children and youth in transition. Reserved funds will be used to provide educationally related support services to children and youth in transition and to remove barriers that prevent regular attendance.

The Champion Schools’ Title I plan will be coordinated with the McKinney-Vento services, through a collaboration between the Title I Coordinator and the Liaison. Children and youth in transition shall be assessed, reported on and included in accountability systems, as required by federal law and U.S. Department of Education regulations and guidance.

Training

The Liaison will conduct training and sensitivity/awareness for the school staff at least once each year.

The trainings will be designed to increase staff awareness of homelessness, facilitate immediate enrollment, ensure compliance with this policy, and increase sensitivity to children and youth in transition.
